Dear Doctor Herz:

RE: Master

In checking our records we find it has been quite some time since we have seen or heard of the above named patient, and we are writing you in the hope that you may be able to aid us in bringing our charts up to date.

We endeavor to maintain complete records on all cases of malignancy treated here for research purposes, and any information you could give us with regards to the patient's present condition would be greatly appreciated. If death has ensued, any pertinent facts thereto such as date, place, terminal care and findings of autopsy, if done, would be of material aid.

Thanking you for your cooperation,

Sincerely,

(Mrs.) A. Jorgensen, Secretary
